

2011 MYF COACHING

MYF will be accepting an email of interest for assistant coaching positions only for the 2011 year. MYF has assistant coaching positions open at the 3rd/4th Grade Level and the 5th/6th Grade level. There are no coaching positions open at the 7th or the 8th grade level.

If you are interested in assisting at the levels that have openings, you must send an email of interest to president@molallayouthfootball.com . Once your email is received you will receive information regarding an interview/discussion with the MYF board so that you will understand our expectations of the coaches involved in the MYF organization. The MYF Board of Directors MUST approve all coaches involved in the program. Head Coach's do not have the final say. If you are working out a "verbal agreement" with a head coach, you are going down the wrong path. MYF Board of Directors will assign each and every assistant. We will assign coaches based on what is best for the program as a whole, not each person's individual needs.

The following will be requirements that each coach involved in our program must accomplish prior to becoming a coach.

- ***Attend an interview with the MYF board of directors.***
- ***Attend a TVYFL mandated first aide and concussion training class.***
- ***Attend a TVYFL mandatory coaches meeting on rules, bylaws, and code of conduct. You must pass the test given at this class.***
- ***Attend the mandatory coach's clinics that MYF designates for you to attend.***
- ***Positive support of not only MYF program but the MHS Football Program as well.***
- ***Follow MYF's coach's code of conduct, rules, and bylaws.***

MYF will only use people who have the best interest of the entire program at heart. We are looking for people who put development ahead of winning. The goal of our program is not to win every game at the expense of not developing ALL players who have paid to play. You must be willing to coach all kids and make them excited about playing the game of football. Their self image and participation is a priority, not your coaching record.

If you feel that you are a fit with this philosophy, please send an email to the above address listed.

Thank you for your interest in developing all players participating in this program.
