

Our Mission

Molalla Youth Football is a tackle based football program for 3rd through 8th grade youth living in the Molalla River School District boundary. Molalla Youth Football is a non-profit organization strictly ran by an all volunteer board of directors. We are a member of the Tualatin Valley Youth Football league playing teams in the Tualatin Valley and Portland metropolitan area in Oregon.

It is the mission of the Molalla Youth Football Organization to provide a positive introduction to youth football for ALL of our players. The organization will provide a comprehensive program, based on the core values of age appropriate coaching and encouragement, in order to develop fundamental football skills in all of our players. Participation in the program will result in an experience that enriches our children's lives by building character and developing a strong work ethic, while reinforcing positive self-image and sportsmanship. Our community's children will also grow in social skills including teamwork, cooperation, communication, and discipline.

MYF will prepare our athlete's foundation for the challenges of high school sports. The goal of our organization is to provide all of our players with game experience. Player attendance at practice, attitude and skill development are key factors in helping to determine the amount of game experience each player receives.

We believe it is essential that our mission be accomplished by growing and nurturing a respected organization, guided by our values, involving our volunteers, and putting our players first.
